Re: Holiday Season Limit on Lane Closures

Dear Ms. Blair:

During the holiday season, traffic can become extremely heavy throughout the day on major arterials in Lakewood.

In order to keep traffic moving as well as possible, the City is limiting lane closures on the following streets from 7:00 a.m. to 9:00 p.m., seven days a week:

- Wadsworth Boulevard from Mississippi Avenue to Highland Drive.
- Colfax Avenue from Youngfield St. to I-70.
- Denver West Colorado Mills Boulevard (formerly known as Indiana) from 6<sup>th</sup> Avenue to I-70.
- Union Boulevard from Alameda Avenue to 8<sup>th</sup> Avenue.
- Alameda Avenue from Lamar St to Carr St.
- All streets within Belmar.

No Lakewood permits will be issued for work affecting traffic on the above listed streets during that time period except for true emergencies such as a water main break, a ruptured gas line and the like. Single lane closures will be considered on a case-by-case basis where three through lanes exist. This restriction in lane closures will run from November 21, 2022 through January 3, 2023.

This limitation continues to be an annual need as it has been for several years in Lakewood. I appreciate your cooperation in the past and this year. Other lane closure requests will continue to be evaluated on a case-by-case basis.

If future communication on this topic should be addressed to someone else in your organization, please email to [staroc@lakewood.org](mailto:staroc@lakewood.org), with new contact information and deletions.

Sincerely,

A handwritten signature in black ink that reads "Max E. Kirschbaum". The signature is written in a cursive style with a horizontal line extending to the right.
